TRANSFORMING WATER TO NEW WINE

Transforming Water to New Wine is an enrichment seminar that will provide tools to help you better understand and yield to God's transformational process so you bear greater fruit for God's glory. We accomplish this by shedding light on the intriguing series of intimate discussions the Lord had with His closest disciples as recorded in John. As a result, you will glean key insights on heavenly realities and living in relationship with God to experience the new life of the Spirit.

Key themes discussed include:

- Reality of truth in a world froth in falsehood
- Relevance of God's word to life
- Reality of being a disciple living in the world
- Relating with God through the seven "I AM" proclamations
- Understanding God's creative and redemptive purposes and processes
- Experiencing transformation and the new life of the Spirit
- Applying genuine faith, balance and walking in wisdom
